

"I have had the great pleasure of seeing Fernando co-lead and coach in various settings and find his great depth, caring and dedication to be a magnet for attracting excellence. He is dedicated, compassionate and always willing to participate in innovation and relationship work. He is a star!"

How Coaching Can Make a Difference

As a collaborative, calm, and profound listener, I have an ease for understanding the requirements of multiple stakeholders and building trust between groups.

I am motivated by discovering innovative coaching approaches and sharing them with others.

Having lived in Mexico, Toronto, New York, Hawaii, Munich, Brazil, and Chile, I enjoy operating across cultures.
